Fillable Worksheet

Art Fundamentals #20B: Drawing Ears

1. Where are the ears located on the human head and in relation with facial features?

2. Label the 7 important parts of the ear pointed out below.
***Helix, Antihelix, Tragus, Antitragus, Ear canal, Lobule, Concha**

3. What are the 4 steps that we can follow to draw believable ears?

4. *True or false?:* To remember the shape of the *Helix* and the *Antihelix*, we can think of a "y" inside of a "?".
