Art Fundamentals Class:

Finding & Developing Your Art Style (Pt. 1)-
What is an art style and why is it important?

1. What are the key components of an art style?

2. *True or false?:* All components of an art style are consciously and intentionally chosen by the artist.

3. Why is it dangerous to *only* use step-by-step/follow-along tutorials, if you're wanting to find and develop your own art style?

4. In your own words, what is the difference between an *art style* and an *artistic voice*?

5. Why is developing an art style and voice important for artists looking for deeper growth?

6. *True or false?:* It is important to build up basic art skills and gain some confidence with your medium(s)/subject matter *before* focusing on finding and honing your art style.

7. Why is it important to balance building up *technical skills* with nurturing our style/voice?

8. How is establishing parameters/constraints in our art practice helpful? Provide an example of how you can establish parameters to work within.

9. *True or false?:* Once you develop your art style, it should always stay the same.
